## Professional Experience

**J-Tele Marketing**

Internship

**Oct 2022 - Jan-2023**

Rawalpindi Islamabad, PK

During my internship at J-Telemarketing Islamabad, I enhanced user experiences and optimized frontend functionalities as a Front-end Angular Developer Intern. As a WordPress Developer, I created dynamic and user-friendly websites leveraging WordPress

- Collaborating with senior developers to implement cutting-edge Angular solutions, ensuring seamless frontend interactions and user interface enhancements
- Assisted in Angular development, following best practices and standards. .
- Stayed updated on Angular technologies for continuous skill improvement.
- Contributed innovative ideas to enhance project success.
- Provided ongoing support and maintenance for WordPress websites.

**J-Tele Marketing**

Junior Web-Developer

**Jan 2023 - Dec 2023**

Rawalpindi Islamabad, PK

As a member of the Social Media Team at J Telemarketing, I play a crucial role in the development of websites for both internal company projects and external clients. I leverage my expertise in both WordPress development and Angular projects to drive innovation and deliver impactful solutions. Our dynamic team consists of skilled professionals including:

- Senior Developer: Responsible for providing technical expertise and guidance in website development, ensuring the implementation of best practices and efficient project execution.
- Content Writer: Tasked with creating engaging and informative content for website pages, blogs, and social media platforms to attract and retain audiences.
- SEO Engineer: Specializing in search engine optimization techniques to improve website visibility and rankings, driving organic traffic and enhancing online presence.
- Graphic Designer: Proficient in creating visually appealing graphics, illustrations, and branding elements to enhance the aesthetic appeal and user experience of websites.
- Team Head: Oversees the coordination and management of the team's activities, ensuring smooth workflow, effective communication, and timely delivery of projects.

## Projects

### J C I- P A L M, P R O P E R T I E S ( Dubai, United Arab Emirates )

Feb 2023 - March 2023

J-Tele Marketing Real-Estate Project

Pakistan Islamabad

As a WordPress developer at JCI Palm Properties, I bring technical expertise to our team, focusing on web development. I've spearheaded the development of a lead management system within WordPress.

- User-Friendly Design: Ensure that the website has an intuitive and user-friendly design. Visitors should easily find information about the services you offer, contact details, and any other relevant content.
- Performance Optimization: Ensure that your website loads quickly. Compress images and use caching plugins to improve loading times
- Mobile Responsiveness: Ensure that your website is fully responsive and looks good on all devices, including smartphones and tablets.

### J C I- P A L L A D I O

March 2023 - April 2023

J-Tele Marketing Project

Pakistan Islamabad

Developing a WordPress website for JCIPalladio, a company providing electrical and mechanical services for homes and hostels in Dubai, is a great initiative.

- WordPress Website Development: Specializing in crafting and maintaining WordPress sites for real estate investment in Dubai. .
- User-Centric Approach: My web development efforts are guided by a commitment to optimizing user experience. I ensure that our WordPress websites are not only visually engaging but also user-friendly, ensuring that potential investors can easily navigate and access relevant information.
- User-Centric Design: Focus on optimizing user experience with visually engaging and easy-to-navigate websites.
- Team Collaboration: Work collaboratively with design, marketing, and customer service teams to ensure cohesive brand strategy and timely responses to inquiries.

### A L- M E D I N A N L I G H T

March 2023 - May 2023

J-Tele Marketing Project

Pakistan Islamabad

Developing a WordPress website for Al Medinan Light, a company offering Hajj and Umrah services in Saudi Arabia, is a crucial step in establishing an online presence and reaching potential customers.

- Domain Name and Hosting: Choose a domain name that reflects your brand and services. Select a reliable web hosting provider suitable for your needs
- WordPress Installation: Install WordPress on your hosting server.
- Select a WordPress Theme: Choose a responsive and customizable WordPress theme that aligns with the travel and pilgrimage industry
- Design and Layout: Create an appealing and user-friendly design that reflects the spiritual and cultural aspects of Hajj and Umrah.
